Description of Seam Binding: Soft and flowing seam binding adds color and style to your creations. Dyed perfectly to match with the ink and cardstocks from the catalog

You will receive 2 yards of each of the Seam Bindings available in the Occasions Mini catalog. Therefore, you will receive 14 total yards of seam binding. What a GREAT way to have an assortment. Buying all of the rolls would cost around \$60. I am offering this product split to you for \$12. That includes the ribbon and shipping to you! Each of the colors will be around a piece of cardstock and will be mailed in a padded envelope for safe delivery.

I will keep you posted when I have enough people to fill a share (I need five people). When the share is filled you will receive an email that I have ordered the product. You will also receive an email when I ship the product share to you. I will be very forward with communication. I expect the shares to fill quickly! Shipping from Stampin' Up! to me is about one week. I will cut and ship ASAP! Shipping to you will be parcel post so figure that in the shipping time as well.
